

## INTEGRATOR FOR OMS PRO

osf.digital

### ENABLE OMNICHANNEL EXCELLENCE

Integrator for OMS PRO leverages OMS PRO, an order management system and omnichannel platform that was developed by OSF's partner RCI Global Services. Building upon the work that RCI has put into their product, OSF's Integrator for OMS PRO facilitates a full integration between OMS PRO and Salesforce Commerce Cloud, enabling a full omnichannel experience and reducing the time required for developing an omnichannel project.

PLATFORM: Salesforce Commerce Cloud
